

FREEDOM'S DEFENSE FUND
OCTOBER QUARTERLY - FEC DISCLOSURE REPORT (7/01 - 9/30/2010)

INDEPENDENT EXPENDITURE DESCRIPTIONS

The Committee reported independent expenditures with the descriptions: 'Production and Media'. To clarify, 'Media' pertains to the purchase of cable television time to broadcast the commercial(s) and 'Production' refers to the expenditures associated with creating the commercial.

INDEPENDENT EXPENDITURE - WILLIAM RUSSELL

The Committee reported an independent expenditure on behalf of William Russell on 6/10/2010 for \$2,576.16 and the purpose being: 'Production Costs'. However, after consulting the individual at Red Cap Strategy who handled this account, he has informed me by email that: 'The invoice(s) you reference were fees related to web maintenance and updates.' Therefore, the amendment will reflect this disbursement as an operating and not an independent expenditure.

EXPENDITURE DESCRIPTIONS

The Committee has used the following description(s) for the Purpose of Disbursement: 'DIRECT MAIL-POSTAGE' to describe payments related to its direct mail fundraising activities. These fundraising efforts are for the benefit of the PAC and no other committee (Federal or otherwise). In addition, an expenditure with the description: 'DIRECT CONTACT SERVICES' pertains to a poll the Committee commissioned to determine the effectiveness of its independent expenditures. These solicitation expenditures do not represent public communications as defined by 11 CFR 100.26.
